Mini Screed®-C Optional Accessories

Skiny Tire Kit

Less flotation but easier to maneuver with less filling of tire tracks. Ideal for many slabs on grade or topping slabs.

Lift Strap

Evenly lifts machine to elevated decks or lower levels.

Tripod

Lift laser to greater heights with telescopic center section

Column Clamp

Mount laser to a column, post, window or door opening

Non-Sloping Laser - LL500

Manually adjust to level - 2-year warranty

For use with SSR receivers

Dual Sloping Laser - GL622

Self leveling, auto grade match, axis alignment, electric shutters, 5-year warranty

Mini Screed®-C Optional Parts

SIMPLICITY, QUALITY, PERFORMANCE

Customers tell us these are key factors in today's industry. Based on over 30 years of field experience our kits have been specifically designed to enhance on-site reliability.

These kits have been carefully compiled to include field replaceable OEM parts that are crucial to optimal machine performance. Having these parts on-hand has provided invaluable in helping avoid equipment downtime, extended pour stoppages, or worse, pour cancellations. With 2 options to choose from, these kits provide affordable peace of mind.
